Handwash or gentle machine wash 30°C

Drip drying

Shrinkage approx. 4% / 0%

Ironing might be necessary.

Disinfection, see www.kvadrat.dk

More info: Care and maintenance [kvadrat.dk](http://www.kvadrat.dk)

Due to the composition of natural fibers the curtain can hang longer depending on the height of the curtain, room temperature and humidity.

This might also happen for textiles woven in a very open construction or knitted textiles.

It is therefore recommended to avoid the use of weight, but an adjustment of the length might still be needed after a while. Also, a possibility to let the curtain touch the ground when hanging.

2^{year}
warranty

Bayou

Lightfastness

Note 4-5 ISO 105-B02

Quality benefits

Washable

Benefits of linen

Linen is a natural material and a renewable resource

Linen is biodegradable

Linen is very comfortable because of its ability to absorb and release moisture

Product information

Bayou is crafted by dyeing the ground using the industrial injection technique. This creates unique and unexpected patterns, as every metre is distinctively individual. The item has no repeat.

Produktinformation

Bayou entsteht durch die punktuelle Färbung des Stoffes mittels einer industriellen Injektionsmethode. Die überraschenden Verläufe machen den Vorhangstoff in jedem Bereich einzigartig und individuell. Der Artikel hat keinen Rapport.
