

CERTIFICATE
OF FLAME RETARDING
No: 189737 Date: 30/04/18

ISSUED TO: SAHCO HESSLEIN GMBH & CO.KG Ref: 1607289

This is to certify that the following fabric(s) has/have been treated by Essex Flameproofing Limited to conform to the standard detailed below. All fabric is treated and certified on the basis set out below.

1. Testing against the Standard is carried out on the basis of in-house tests on a sample basis. It is not possible to test each
2. Our procedures involve the use of in-house tests on a sample of similar treated fabrics and checked against the results of tests conducted by UKAS accredited laboratories on similar treated fabric which has met the appropriate standard.
3. Fabric is certified on the basis that the correct fibre composition has been provided by the above customer. Essex has no where treatments do not meet the required standard as a result of not being informed of, or of being given inaccurate fibre

Product description	Composition	Quantity
Fabric: FLINT 06 Code/Colour 2700 06 Treatment: BC5 Supplied by: Sahco Hesslein	70CV, 30LIN	2.80
