## Vintage

*Vintage* is a unicoloured, hard wearing kelim, hand woven with fine woollen yarn. The rug's nuanced colour gradations, which have an abrash character, are created by treating the dyed wool with a special washing technique. It is available with same coloured, cross coloured and naturally coloured fringes, and without fringes. The colour palette has a natural expression, rotating from timeless sun-bleached notes towards more saturated colours, inspired by natural dyes and spices. For further information, please contact
